

## **A New Project: Hippoevent Para Spotlight Para Driving in the Spotlight**

With **Hippoevent Para Spotlight**, a new initiative is launching to increase the visibility and recognition of Para Driving. Athletes with disabilities demonstrate every day that passion, precision, and team spirit know no limits.

Their close partnership with ponies and horses, together with their outstanding sporting achievements, makes Para Driving an inspiring part of the international driving sport community.

### **Performance Knows No Barriers**

Para drivers master sporting challenges under special conditions – with creativity, perseverance, and courage.

Hippoevent aims to honor these achievements and strengthen the spirit of inclusion in driving sport worldwide.

The project **Hippoevent Para Spotlight** highlights what often remains behind the scenes: training, competition preparation, and teamwork between horse and carriage... all the way to each individual's remarkable success.

## **Inspiration and Success Stories**

**Hippoevent Para Spotlight** will share personal stories – about motivation, challenges, and sporting success.

Through driver portraits, podcasts, and social media activities, Para Driving athletes will be brought into the spotlight, reaching fans, competition and event organizers, driving sport stakeholders, and sponsors.

Every story shows: Action knows no limits!

## **Events, Competitions, and Highlights**

Overcoming limits. Experiencing Para Driving.

In 2026, a **Hippoevent Para Spotlight** competition is planned as an initial impulse event.

For 2027, Hippoevent aims to launch a *Para Spotlight Tour* with two to four competitions, celebrating the outstanding achievements in Para Driving. Honorary awards and prize money will recognize commitment and sporting excellence while further connecting the Para Driving community.

Reports about national and international Para competitions and championships will complement the project and present Para athletes within the international context.

## **Diversity Makes the Sport Stronger**

With **Hippoevent Para Spotlight**, one thing is clear: Para Driving is more than just sport – it is inspiration, inclusion, and community, and an important part of the global driving sport world.

The initiative will powerfully demonstrate that passion, talent, and partnership with ponies and horses know no boundaries.

With this cross-border initiative, Hippoevent brings Para Driving athletes into the spotlight, honors their achievements, and shares their stories with the entire equestrian world.

**Para Driving moves people – passion knows no limits.**

## **Invitation to Participate**

We warmly invite all active Para Driving athletes, interested individuals, and fans of driving sport to become part of the *Hippoevent Para Spotlight* initiative.

Together, we want to make Para Driving more visible and create something truly forward-looking.

We look forward to your ideas, opinions, and suggestions, and are happy to answer any questions. Let us work together to make Para Driving even stronger and more inspiring.

## **Hippoevent Para Spotlight Para Driving in the Spotlight**

The entire driving sport community will benefit from it.
